

To All ASUA Members;

The ASUA Executive and the Education Committee would like to invite you to attend our Softball Super Weekend on March 28-29 in Edmonton at MacEwan University. The clinic will be March 28 from 9 to 5 and March 29 from 9 to 12. This Super weekend is open for all officials and strongly recommended that all level IV and V's attend.

This Super weekend will have many different sessions which will include time in the gym to go over the finer points of the game. We will also have a 90-minute session with well respected slow pitch and fastpitch coaches from high caliber Alberta teams.

If you would like to attend this clinic the cost is free to all members but because this is a 2-day clinic you may want to look for accommodations in Edmonton for at least Saturday night.

This Clinic would not replace your local clinic, which you would still be required to attend. If you have applied or plan on applying to attend a Provincial, Western or Canadian, it would be highly recommended that you attend this clinic.
